HIGH PERFORMANCE LEADERSHIP

A One-Day Presentation on the
Most Critical Leadership Concepts
for Law Enforcement in 2025

Attendee Benefits

- Let's start here: the success of your team is entirely dependent upon your leadership. You must live by this! We'll show you why
- Learn the three definitive pillars of leadership and how they are key to building great units and great organizations
- Discover the single most important skill in leadership which you have underestimated your entire career that is key to your success
- See what the private sector gets right that government does not (There is a lot!)
- Four crucial words: It's not about you! Why taking your organization to the next level requires taking your people to the next level
- Learn the single strategy you should be using every day that will dramatically reduce your leadership headaches
- Great leaders have a leadership mindset. To be an exceptional leader you need one too. Using real case studies, we will help you develop it
- Receive our list of the most groundbreaking leadership books ever along with a take-home class program of additional leadership resources
- Learn how to build a spectacular workplace environment for your people (and yourself!)
- ...and much more!

“Outstanding class! Fantastic instructor! This type of leadership training is needed now more than ever! Your leadership is making a difference! Thank you!”

-Rappahannock Regional CJ
Academy, November 2022

Presented By...

Andrew DeMuth, is an **IADLEST certified**, national speaker on leadership for both law enforcement and the private sector. After more than three decades with four law enforcement agencies, he is a passionate and dynamic facilitator who brings leadership lessons from law enforcement, business, the military, sports, and beyond. His philosophy: we bring our units and organizations to the next level by bringing our people to the next level.

What Others are Saying...

Rappahannock CJ Academy 04/26/24

"Thank you! I have a lot of takeaways that I can apply to my every-day supervision. Considering I was promoted six months ago, this was a perfect class. Thank you so much for being humble and even admitting your faults and mistakes. It made me feel better and more comfortable again."

Morris County Police Academy 09/21/22

"Instructor was extremely knowledgeable on topic. One of the best supervisor/leadership classes I have taken."

IACLEA 2020 National Conference

"Best leadership class I have taken in a LONG time! Excellent! Best session of the conference!"

Rappahannock CJ Academy 11/03/23

"Loved it! If I had the opportunity to take another course from you, I would. Very relevant to the profession. Andrew is great. I love and appreciate his passion and his desire to create better leaders within the law enforcement community. We need it now more than ever on the street level and in the academies."

ILEETA 2021 National Conference

"The best part of the training was the instructor's enthusiasm for the topic which kept me interested and engaged."

Rappahannock CJ Academy 04/26/24

"Thank you! I love that it's one jam-packed day, and all of the content was spot on. I plan on sending my three sergeants in the fall. So many great topics you touched on. Great message, content, and presentation!"

Rappahannock CJ Academy 04/07/23

"Night shift with no sleep. Didn't struggle to stay awake at all. Thanks for your energy. This class hit me to the core and relit the fire in me."
